VOLUNTARY INFLUENZA IMMUNIZATION

STAT
REFERENCE: [] dated 2 October 1962

1. Referenced Headquarters Notice advised of GEHA sponsorship of a program of voluntary immunization against Asian Flu. Agency Medical Staff personnel will be present in the Health Room of Steuart Building on Tuesday, 23 October 1962 from 1200 to 1300 hours to carry out this program for all CIA employees who desire to take advantage of it. Cost to the employee will be fifty cents (.50) for the first of a series of two shots.

2. All CIA employees are urged to review [] for more detailed information about the program and then to indicate their desire to participate to their administrative office no later than 1900 hours on Tuesday, 23 October 1962. This will be the only visit by Medical Staff for the first shot in the immunization series.
